On behalf of Shriners Hospitals for Children-Houston and myself, I wish to convey our great appreciation of your recent donation of bikes, toys and stuffed animals.

Our children will enjoy your gift to our hospital very much. Friends like you reaching out to help others are an inspiration to us all.

As required by the Omnibus Budget Reconciliation Act of 1993 (OBRA), we must report the following disclosure: "Goods or Services were not given to the above donor in exchange for his or her contribution."

Sincerely,

A handwritten signature in cursive script that reads "Cathy Moniaci".
