General Membership Meeting

December 2017

TO: All Teamster Local 19 Members

FROM: Bob Clever, President

Our next GMM is scheduled for December 18th, Monday afternoon. We announced at the last GMM meeting that all Active Local 19 Members in Good Standing will be covered by an AFLAC Group Accident Benefit. This is one product that is part of the AFLAC Benefits rollout for all Members with United Airlines Members enrolling first starting in January. Subject to a yearly review, Local 19 will cover all Local 19 Members for the Member Tier. Members will have an option at all our Companies and locations to other coverages as we will explain in more detail when we come out to visit with you directly. At our December meeting we will have a benefits representative attend to give a short explanation and allow you to pre-register for these benefits.
