PRESIDENTS MESSAGE

August 30, 2016

As I am writing this message, we are in Chicago today meeting with the Southwest Airlines Material Specialist committee and later today, management, to attempt to finalize a proposal this week to put before the membership to vote on. Thursday and Friday we are scheduled to meet here with the United Airline Technicians, Flight Simulator and Related committee to review finalized language drafted from the Agreement in Principle reached a couple weeks ago.

At the end of this month we will be closing on the 151 Northpoint Drive property and plan on moving in the middle of October. Please be understanding that there will be a transition of services and personnel during this period.

Disaster relief is being offered by the IBT for the Parishes affected by the recent flooding in Louisiana. Please let us know if you have had a loss as a result of these storms.

This month the audit of our local by the international was completed and the few items requiring follow-up are being addressed accordingly. We are very pleased with the outcome and essentially our report card on fiduciary responsibilities of the local to our membership.

Our next General Membership Meeting is scheduled for Thursday September 22, 2016 at 08:00 at our current location on Bender Rd.

Please keep the family of Joe Sharp who passed away this past month in your thoughts and prayers.

Thank you,

Bob Clever
