PRESIDENTS MESSAGE

November 30, 2016

I am in hopes that everyone had a good Thanksgiving and with Christmas right around the corner that everyone continues to enjoy and cherish your loved ones and friends during this holiday season.

On December 5th we will know the outcome of the United Airlines Tentative Agreement vote. We will post the results on the Local 19 web page and send out the same to those signed up on the website via text and email. While there are many views and opinions on what the outcome should be, we will represent the contract and/or further negotiations as called out for by the majority of the membership.

This Month ExpressJet announced an aggressive schedule for the complete shutdown of the Shreveport Maintenance operation. While there are options to transfer, take furlough, retire or separate from the company we would encourage those affected and even members in other locations to apply to United Airlines.

Next week Angel and I will be in Dallas with the Southwest Material Specialist negotiating committee members for continued negotiations.

With the historically close elections concluding this month, at the IBT, General President Jim Hoffa and General Secretary-Treasurer Ken Hall were re-elected to head our union. The only changes are to the Southern and Central Region Vice Presidents.

Our next General Membership Meeting is on Wednesday December 28th at 15:30.

Please keep Chris Bannister whose mother passed away and Chris Davis recovering from an auto accident in your thoughts and prayers.

Thank you,

Bob Clever
