PRESIDENT MESSAGE November 22, 2019

I am going to keep this month's message short;

My hope is that during these holidays you take every opportunity to give thanks for all you have and most importantly hold loved ones closer than ever. As we transition through life we learn that what is most important in life is those relationships we spend years building on. I think about all of you who volunteer for no reason other than you care about making a difference in the quality of life of others. From promoting safety, technology, and training, to helping others during weather disasters you are all so extremely appreciated. The Teamster Member Assistance program is quickly filling the void, which we have had for years, to be able to help members during a most critical time of need. Holidays can also be a tough time for some of our members. If you see this is the case, please be that person that makes a difference by letting them know you care and are there for them.

Our next GMM is Thursday December 19, 2019 @ 15:30.

Please keep in your thoughts and prayers;

Jim Stucker's Family as he passed earlier this month. Jim was Director of Maintenance IAH many years ago.

Thank you and words cannot express enough how much I appreciate all of you.
Have a Great Thanksgiving,

A handwritten signature in black ink that reads "Robert Clever".
